Rich Jacobs  
Reentry USA

Dear Mr. Jacobs:

I, Wilson Goode Sr., as CEO and Chairman of the Philadelphia Leadership Foundation (PLF) am pleased to welcome Rich Jacobs and your organization, ReentryUSA, to our foundation. The PLF's purpose is to train and empower leaders who will help enhance the quality of life of individuals and families throughout the Philadelphia region. The mission of ReentryUSA is in alignment with the PLF's mission and we look forward to helping ReentryUSA achieve its goals.

The Philadelphia Leadership Foundation supports ReentryUSA's purpose of providing a critically needed reentry resources database for formerly incarcerated individuals and stakeholders. We are pleased that once this database is created in the Philadelphia region, it will then be expanded throughout the Commonwealth of Pennsylvania and nationally. We also support the other services ReentryUSA provides to returning citizens including an Event Finder and YouTube/Podcast media for their benefit.

As such, ReentryUSA is approved by the Philadelphia Leadership Foundation to participate under its 501(c)(3) mentorship / incubator program. As a part of this partnership, ReentryUSA may receive and process tax-deductible funding and disperse funds through the Philadelphia Leadership Foundation. To this end, the Philadelphia Leadership Foundation hereby authorizes ReentryUSA to use the federal EIN of the foundation in its business in accordance with the charitable pursuits outlined above.

We look forward to working with you and best wishes as the ReentryUSA project moves forward.

Sincerely,

W. Wilson Goode, Sr.
